About the Job Board

APTA-Mississippi desires to partner with clinics, hospitals, and other physical therapy providers to offer job placement services on the APTA-Mississippi website and newsletter. This job board is open to any employer in the State of Mississippi, or to out-of-state employers that have a physical presence or service as contractors inside of the State of Mississippi.

How Posts are Shared

Job postings will be placed on the APTA-Mississippi website for the length of time requested by the employer. Information submitted for the job will be reviewed and posted on our website, and also linked in the e-newsletter and posted via social media for members to view. A direct contact with the employer will be used for gaining more information about a job unless a webpage is linked from the employer's site. Posts will be removed when the requested time period concludes.

Job postings are offered for \$100 per month with a 1-month minimum. Payment may be made with check or credit card.
